Code of Conduct

Parents, Carers, Staff, Volunteers, Children and Young People

I will:

- Remember that the participants are here to take part for FUN
- Applaud effort as well as success
- Respect the official's decision even if I don't agree with them
- Appreciate good play or effort from whatever team or school it comes from
- Remain within the designated area for my associated school
- Let the staff do their job and try not confuse the participants
- Encourage the participants to respect the opposition and officials
- Support positively and offer the participants encouragement not criticism
- Never engage in, or tolerate offensive, insulting or abusive language or behaviour
- Adhere to any travel or parking arrangements that have been made
- Ensure any problems are reported to a member of staff from my associated school, so they can pursue the matter in a respectful way with the event staff
- Ensure I am wearing appropriate kit / identification so the event staff know who I am and what school I am with

By reading this, I understand that if I do not follow the Code of Conduct I may be asked to leave the venue and requested not to attend future NHSSP events.
