CODE OF CONDUCT

I WILL:

- Remember that children are there to participate for FUN
- Applaud effort as well as success
- Respect the official's decision even if I don't agree with them
- Appreciate good play or effort from whatever team or school it comes from
- Remain within the designated areas
- Let the member of staff do their job and not tell others what to do that might confuse them
- Encourage everyone to respect the opposition and officials
- Support positively and offer participants encouragement not criticism
- Never engage in, or tolerate offensive, insulting or abusive language or behaviour
- Adhere to any parking arrangements that have been made
- Ensure any problems are reported to a member of staff from my associated school, rather than the event staff, so they can pursue the matter on my behalf

I understand that if I do not follow the Code of Conduct I may be asked to leave the venue and requested not to attend future events
